Instructions

Every person providing transient lodging for remuneration within the corporate limits of Dalton must collect a tax of 7% on the rent paid, unless such rent is for thirty-one (31) and thereafter of stays in excess of thirty (30) continuous days; or is paid by a person who certifies in writing that he is staying in such a lodging as a result of his residence having been destroyed by fire or other casualty; or is paid by an employee or official of the State of Georgia, any of its local governments or other instrumentalities, when traveling on public business and either providing documentation thereof or paying by State of local government credit or debit card; or is paid by a foreign diplomat exempted by treaty or consular convention, when presenting documentation issued by the United States Department of State; or is paid directly by the United States, the State of Georgia or any instrumentality of either thereof. This tax is due and payable to the City monthly, on or before the 20th day of the month next month succeeding the monthly period in which the tax was collected. When paid timely, a 3% vendor credit may be retained by the vendor. Failure to pay by the due date, the lodging provider not only loses the vendor's credit, but is subject to paying a penalty and interest on the tax due. The penalty is 5% or \$5.00, whichever is greater, of the amount due per month; not to exceed 25% or \$25.00, whichever is greater. The interest rate is 1% compounded per month or fraction thereof.
